Warrant for Annual Town Meeting

STATE OF NEW HAMPSHIRE

(L. S.)

To the inhabitants of the Town of Tilton, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on the 11th day of March next, at 10 o'clock in the forenoon to act upon the following subjects:

1. To choose a Town Clerk, Town Treasurer, one Selectman for the term of three years, two or more Road Agents for the year ensuing, two Auditors for the year ensuing, and one Trustee of Trust Funds for the term of three years.

2. To bring in your votes for the election of Delegates at Large, Alternate Delegates at Large, District Delegates, Alternate District Delegates to the National Conventions of the Democratic and Republican parties, to be held for the purpose of nominating party candidates for President and Vice President of the United States.

3. To see what disposition the town will vote to make of the School and Parsonage Fund interest for the year ensuing.

4. To see how much money the town will vote to appropriate for Memorial Day expenses for the year ensuing.

5. To see if the town will vote to appropriate the sum of one thousand (\$1,000) dollars for the maintenance of

the District Nurse Association, jointly with the Town of Northfield.

6. To see if the town will vote to accept state aid for highways and appropriate the amount required by law to secure the same.

7. To see if the town will vote to raise two hundred (\$200) dollars to defray the expenses of a number of band concerts (ten at least) to be given during the summer months of 1924. (By request of the band.)

8. To see if the town will vote to provide adequate police protection, during the day, for the coming year and appropriate money for that purpose. (By petition.)

9. To see if the town will vote to employ a Matron for the coming year, with police authority, to supervise all dances held in public places, whose duty shall be to preserve order and decency among those present and to raise and appropriate the necessary money for that purpose. (By petition.)

10. To see if the town will appropriate one thousand (\$1,000) dollars for the renovation of the town hall and appoint a committee of three to supervise expenditure of same. (By request.)

11. To see if the town will appropriate fourteen hundred (\$1,400) dollars for the purchase of a tractor for removing snow from the streets. (By request.)

12. To see if the town will raise and appropriate one hundred (\$100) dollars for the use of the Laconia hospital.

13. To see how much money the town will vote to raise for all purposes for the year ensuing.

14. To see what action the town will vote to take in regard to the reports of its officers and agents for the past year.

15. To choose any other officers and agents for the year ensuing.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 23rd day of February, 1924.

ORVIS A. PLUMMER,
GEO. E. CRAGIN,
FRED M. BOYNTON,

Selectmen of Tilton.

Trust Funds Received During 1923

DEED No. 33, FUND No. 42

KNOW ALL MEN BY THESE PRESENTS: That I, A. C. Wyatt, of the City of Laconia, County of Belknap, and State of New Hampshire, do hereby give to the Town of Tilton, County and State aforesaid, one hundred dollars to be held in trust by said town forever, said sum to be known as the Joseph C. Wyatt Trust Fund, and the principal to be invested and re-invested by said town in accordance with the laws of the State of New Hampshire, now in force, or which may be hereafter enacted, governing the investment of such funds. The income received from said fund to be paid annually to the Trustees of Park Cemetery, located in said Tilton, to be expended by them for the care and maintenance of my lot in said Cemetery.

Given under my hand and seal this tenth day of March, 1923, in the City, County and State first above mentioned.

(Signed) A. C. WYATT, (L. S.)

Respectfully submitted,

WALTER C. WYATT,
WILLIAM H. MOSES,
CHARLES E. TILTON,

Trustees of Trust Funds for the Town of Tilton.

Tilton, N. H., Feb. 16, 1924.

I have audited the reports of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Agents, and Treasurer of Trustees of Town Trust Funds and find them correctly cast and properly vouched.

HARRY ENTWISTLE,

Auditor.

REPORT OF SCHOOL BOARD
 TILTON UNION DISTRICT

In accordance with the Laws of 1919, 106:21, the school board herewith submits to the district a statement of the estimated amount needed for the support of schools

and for statutory requirements for the fiscal year beginning July 1, 1924:

Teachers	\$11,300.00
Evening school	150.00
Text-books and supplies	1,000.00
Janitor	1,175.00
Water, light, etc.	425.00
Fuel	1,000.00
Repairs	500.00
Medical inspection and health	225.00
High school tuition	8,000.00
Expenses of administration	150.00
Other expenses of instruction	50.00
Superintendent's excess salary	585.00
Per capita tax	798.00
Insurance	225.00

Total	\$25,583.00
Amount required by law to be raised (\$3.50 on each \$1,000)	\$8,305.32
Other revenue (estimated)	650.00

Total	\$8,955.32
Additional amount needed	\$16,627.68
Estimated deficit current year	500.00

Total appropriations asked for	\$17,127.68
--------------------------------	-------------

ROLL OF HONOR

Pupils neither absent nor tardy for the year ending
June 30, 1923

TILTON TOWN DISTRICT

No. Four—Henry Colby, Margaret Looney.

Tin Corner—Bertha Franklin, George Bock.

Sanborn Road—Arthur Abbott, Ralph Moulton, Samuel
Page (2 years).

Lochmere—Bernard Pierce, Cora Pierce.

TILTON UNION DISTRICT

Grade I—Juliet V. Durand.

Grade II—Marjorie Davis (2 years), Ernest Durant
(2 years).

Grade III—Walter Bosworth, Robert M. Huckins, Doris
Meserve (2 years), Elizabeth J. Wescott.

Grade IV—George Colby.

Grade V—Leander Huckins (2 years), Aldea Robida,
Natalie Sargent (2 years).

Grade VIII—Clarence Connolly, Donald Darwin, Wil-
liam Dorherty, Lorin Furlong, Harry Plummer, Dorothy
Lanpher, Dorothy Leavitt, Marguerite Wade (2 years.)

Report of the Superintendent of Schools

To the School Boards and Citizens of Tilton and Northfield:

I herewith submit my ninth annual report as superintendent of schools. The superintendent's report should, of course, throw some light on the general school situation, as well as record certain matters in connection with the schools which have permanent value. But perhaps the best way to learn what we are trying to do in the schools and what is being accomplished is to visit the schools and visit them often, becoming acquainted both with the teachers and with the children, going with a sympathetic spirit and with an open mind.

The common interests which these three school districts have, namely the Tilton Union, Tilton Town and Northfield, make it convenient and probably desirable to present this report in this form. I see no good reason why these three school districts might not well be combined into one. I believe that the education interests of both towns might be better served if there could be such a union.

Education week which is observed in November has for its purpose the increase of interest on the part of the public in education in general and particularly in the schools. This Education Week we observed last fall successfully and many of the parents took occasion to visit the schools at that time. Special days and special weeks have their value but we ought not to be content to confine our interests to those special occasions. I believe it would be a most excellent thing if we could establish here in this

community a Parent-Teachers Association which would keep up this interest in the schools throughout the year.

I refer you to the statistical tables which contain information in regard to the schools for the year ending last June. I call your attention also to the Roll of Honor containing the names of those children whose record has been perfect in attendance. There is always a satisfaction and pleasure which comes to the boy or girl, when he finds his name printed in the School Report. I am sure of this from my own personal experience.

The new school calendar which was used in the Tilton Union District last year, proved satisfactory for the most part. This district stood very high among the districts in the state, in the number of actual school days during the last school year. The only change which has been made this year is in the matter of the recesses at Thanksgiving and Christmas. We have gone back to the two weeks recess over the Christmas Holidays, as the teachers felt that one week was not sufficient.

All three districts have made new contracts with Tilton School, as authorized by the several district meetings last March. A new rate of \$100.00 per pupil was established as the authorities of the school felt that the old rate of \$75.00 was too far below the actual cost. I do not feel that the new rate of \$100.00 is excessive. It should be noted in this connection that the regular tuition rate at this school is \$150.00 and of course this includes nothing but instruction. While these three districts will this year pay Tilton School something like \$10,000.00, a high school giving opportunities equal to those which the children are now receiving could not be maintained for this sum.

We frequently hear it stated that the schools of today are inferior to those of a generation or more ago, partic-

ularly in the thoroughness with which the so-called fundamentals are taught. I sometimes wonder what the results would be if we should give today the same tests to the parents and children.

An interesting experiment was made in New Hampshire last fall, which throws some light on this matter. In 1846, the 9th grade High School pupils in the city of Springfield, Mass., were given two tests, one in Arithmetic and one in spelling. The average age of those pupils was fifteen years and six months and they were doubtless a selected group. On the arithmetic test, the Springfield pupils attained an average grade or mark of 29 per cent. This same test was given to nearly 5,000 8th grade pupils in New Hampshire, whose average age was thirteen years and six months. This was an unselected group, because of compulsory school attendance. The New Hampshire boys and girls attained an average mark of 49 per cent on this identical test and 4 per cent of the papers were perfect. On the spelling test, the Springfield children, back in 1846, attained an average mark of about 41 per cent. The spelling test which was given the New Hampshire children was not the same as that which was used in Springfield but the words were considered of equal spelling difficulty. The average mark of the New Hampshire children was 67 per cent. The 8th grade pupils in this Union attained practically the same average mark both in spelling and in arithmetic as the children throughout the state.

Your Superintendent was fortunate in being able to attend last February the meeting of the National Superintendents' Association held in Cleveland, Ohio. Personally I feel that the time was very profitably spent. Those who are in educational work very much need the inspiration which comes from meeting with men and women from all

parts of the country similarly engaged. It is coming to be more and more the practice for cities and Supervisory Unions to send their Superintendents to those National gatherings.

The joint Supervisory Board at its meeting last Spring, authorized the Superintendent to secure such clerical assistance as seemed to him warranted. He was fortunate in being able to secure Mrs. Leonore D. Stackpole, as clerk. Mrs. Stackpole had had considerable experience in office work and is a well trained stenographer. There are many clerical matters which must be attended to but which take much of the Superintendent's time. Mrs. Stackpole has been able to relieve him of much of that routine work and therefore he has had much more time to put into the school rooms. Mrs. Stackpole spends five forenoons each week in the Superintendent's office.

TILTON UNION DISTRICT

The average membership in our schools last year was three hundred ten and the per cent of attendance was ninety-five. Our present enrollment is but two hundred ninety-one. This is the smallest enrollment that we have had for several years. It is probable that the improved industrial conditions will soon bring up our registration. The eighth grade is now the largest in point of number, there being fifty-one children enrolled.

At Tilton School, which is our High School, there are seventy-six children from this district registered. There are thirty-one Freshmen, twenty Sophomores, nineteen Juniors and six Seniors.

Three of our teachers have resigned since last year. Mrs. Katherine Sheehan, principal of the building, and Miss Marion Abbott, second grade teacher, presented their resig-

nations in June and Miss Mildred Abbott, first grade teacher, asked for a release in August. Both Miss Marion Abbott and Miss Mildred Abbott were capable and efficient teachers and we were sorry to lose them. These vacancies were filled by the appointment of Miss Mildred Stevens of Franklin for the first grade and Miss Esther Stevens of Franklin for the second grade. The Misses Stevens are graduates of Plymouth Normal and have each had three years' previous experience. Mrs. Sheehan had been with us five years and had shown marked qualification as teacher and principal. In a remarkable way she secured the loyalty and good will of her pupils. Her leaving us was a distinct loss. Miss Edith A. Greaves of Haverhill was chosen to fill this vacancy in the principalship. Miss Louise Emery, who was on duty last year only forenoons as Assistant in the lower grades, is now giving the full time to work with those children in these grades who, for one reason or another, need special help. One end of the lower hall has been curtained off and makes a fairly satisfactory room for this purpose. This special work is proving very successful. We now have ten teachers on full time. Miss Josephine Emery, teacher of Manual Training and Drawing in the upper grades, is with us two days and one-half each week and Ethel Worthen, teacher of music, is with us one day each week.

The Graduatoin Exercises, held June 15th last year, were as usual very pleasing. An Operetta "The Maid and the Golden Slipper" was presented by the children of the school in a very creditable manner. The certificates of graduation were presented to a class of forty. The presentation, in behalf of the school board, was made by Mrs. Winnifred Walker. From this class thirty-two entered

Tilton School.

We are conducting no evening school this winter. The request for one was small and most of those expressing a desire to attend were residents outside this district. It is likely that there will be a greater interest developed before next winter and that it will seem wise to re-open the school. These evening classes in the past have never been large but in many cases they have been very helpful.

No extensive repairs have been made this last year on the building. The exterior woodwork has been repainted and new treads put in, in part, on the stairs. There is probably no need for a large outlay this coming year for repairs.

The financial statement of the school board shows that the probable amount available for the remainder of the school year is \$10,171.87. The estimated expenses for the remainder of the year will be approximately \$10,700.00. It appears that there will be a deficit of about \$500.00. This deficit is due to the much increased cost of High School tuition. The budget states in detail the probable needs for the coming fiscal year. You will note increases in some items and some slight decreases in others. The total for the budget is larger than last year and is again accounted for, in a large measure, by the increased high school tuition expenses and insurance premiums which must be met.

TILTON TOWN DISTRICT

The schools opened in September with but one new teacher. Miss Hodge, at the Highland School, was succeeded by Miss Ruth Grieve, of Laconia, a Plymouth Normal graduate of last June. At Christmas time, Miss Mina Pike, asked the School Board for a release that she might make a long anticipated trip to Califor-

nia. The school board reluctantly granted this request. Miss Pike had been at Lochmere as teacher for more than ten years. During this long period of service this school had always been her first consideration. We all very much regret her leaving this position. Miss Eileen Bullis of Keene is at present substituting at Lochmere. I am glad to commend again the work of Miss Cushing at No. Four and Mrs. Abbott at Sanborn Road.

The total enrollment in our schools during the last school year was eighty-two and the average membership seventy-six. The enrollment this present school year does not vary materially from last year. The Highlands school registration continues small. The registration at No. Four school varies from time to time due to the fact that there is more or less moving of families between the two Tilton districts. In addition there are at the present time eleven pupils from this district attending the Union School. The policy of paying the tuition of the 7th and 8th grade pupils from the No. Four school at the Union school has become well established. It would certainly be unfortunate if these children could not have the advantages of this school at this particular period of their school life. To relieve the situation at Lochmere and to provide better facilities for the 8th grade pupils at Lochmere, the school board decided to send them (three in number) to the Union School and to pay their tuition and transportation expenses. I believe this, under the circumstances, to be the proper thing to do and I am hoping that it may be possible another year to send the 7th grade children from Lochmere also. It is no easy matter, in a sizable school where eight grades are represented, for the teacher to give to the upper grade work the attention which is desirable.

There are enrolled at Tilton School (Seminary), twenty-two pupils from this district. They are classified as follows: Freshmen 8, Sophomores 7, Juniors 4 and Seniors 3.

Interesting closing exercises were held at the Sanborn Road school at the close of the year in June. The children took their parts in a very creditable manner. Certificates were presented to Arthur Abbott, Ralph Moulton and Alice Wood. At the Lochmere School two pupils, Eva Richardson and Mildred Jones, completed the eighth grade work. Two pupils from this district, namely Leslie Clark and Leonard Gilbert, were graduated at the Union School.

The school building at Lochmere has been re-shingled. The Selectmen have removed a part of the embankment which prevented a view of the school house and yard to automobilists traveling north and therefore this particular hazard has been reduced. The Selectmen have also placed danger signals either side of the No. Four school. New natural slate black boards have been installed both at the No. Four building and at Sanborn Road. These boards were very much needed as the old ones were unsatisfactory both in quality and size. The slate boards are rather expensive but they are the only kind which give permanent satisfaction. These two school rooms are now as pleasant and as well equipped as any in this Union. The only thing needed now at Sanborn Road is a real jacketed stove or rather a properly constructed jacket for the stove which they now have. It would then be possible to heat this school room more satisfactorily.

As stated in my report last year, there is need of new fences both at No. Four and Sanborn Road. The Lochmere School should be painted. When this building was remodeled some years ago the cellar was only partially dug

out. This work ought to be completed. At the present time there is no adequate place for storing the wood. Furthermore the approach to the cellar is through a trap door in the hall. I do not think this altogether safe and would recommend that a different arrangement be made.

In addition to the usual financial report for the full school year, which ended last June, a preliminary statement is made by the school board covering the transactions this current fiscal year up to February 1st. The total resources this year are \$8,653.75. The expenditures to date amount to \$4,626.52. This leaves a balance available for the remainder of the school year of \$4,027.23. The school board estimates that the actual expenses for the remainder of the year will be approximately \$4,100.00. The school board budget calls for an appropriation of about \$700.00 more than last year's budget. This is due to two items, an increase in the High School tuition expenditure of \$600.00 and larger insurance premiums coming due this next year. While the cost for High School tuition has reached a large sum, namely \$2,200.00, I feel certain that this is an expenditure which the district is only too glad to make.

Up to three years ago, we had a supervisor of music in our schools. I feel that the lack of one at the present time is a distinct loss and would recommend that if any reasonable arrangement could be made, so that a music teacher could visit our schools at least once in two weeks, it would be altogether desirable to make such an arrangement.

NORTHFIELD DISTRICT

The problem of securing good teachers for rural schools, or for any schools, is always a difficult one to solve. Mrs. Lillian E. Ring was secured to complete the school year

at the Rand School after the resignation of Mrs. Hislop. Mrs. Ring was transferred in the fall to the Oak Hill School because of the resignation of Mr. Mann. Mrs. Ring has been successful this year in her work at Oak Hill. Miss Evelyn Gile, one of our own girls, a graduate of Plymouth Normal, with three years or more experience, was secured for the Rand School, where she began her work last September. Miss Gile's fine spirit in the school room is to be much commended. There are no other changes in our teaching forces from last year.

The following table showing the teachers and yearly salary paid, may be of convenience for reference:

Rand—Evelyn Gile	\$720.00
Tibbetts—Gertrude Stevens	800.00
Center—Evelyn McEwen	756.00
Hodgdon—Vera Favor	720.00
Oak Hill—Lillian Ring	828.00

We are, of course, paying larger salaries than formerly but changed conditions make this necessary if we are to secure teachers who are likely to prove satisfactory.

The enrollment at Hodgdon, Tibbetts and Rand Schools continues small. The schools at Center and Oak Hill continue of good size, the enrollment being twenty-two and twenty-seven respectively. As was the case last year, there are four children from this district attending the Union School. This, of course, means an additional expense to the individual parent and is not a charge against the district. I hope the time may soon come when it will be possible for the upper grade children in all our schools to have the advantages of the Union School at Tilton.

The enrollment of Northfield District pupils at Tilton School (Seminary) has dropped to four. This is due to

the fact that four were graduated last June and there were none to enter the school last September. These pupils are Hazel Gile, Lettie Haggett, Mary Marden and Sylvia Marden. It is probable that the enrollment will be increased another year. As is stated elsewhere, the district is now paying \$100.00 a year for each pupil's tuition at Tilton School.

It will always be difficult to estimate six months in advance, how many children it will be necessary to transport. A year ago, the school board felt that \$150.00 would cover the expenses this school year but additional pupils moving into the district had to be cared for and the result is the expense will be nearly, if not quite, \$600.00. There is, however, no escape from this additional expense. One pupil is conveyed to the Union School at a nominal expense, two from Bean Hill to the Center School and three from the so-called Pond District to the Center School. We are no longer under the expense of transporting the teacher at Oak Hill.

No extraordinary repairs have been made this year. Much needed new and additional black-boards have been installed in the Center School. These new boards greatly facilitate the works of the pupils and teacher and are an added source of enjoyment. The stove at Oak Hill has been jacketed with the result that this school room is more easily and more uniformly heated. The school board had decided to jacket the stoves at the Center and at the Tibbetts schools before another school year opens. The board has also voted to properly screen the Oak Hill, Center and Hodgdon buildings.

As already stated, we have the largest enrollment at Oak Hill. Unfortunately this school room is inadequate in size

and arrangement. I urgently recommend that especial appropriation be made that this building may be properly remodeled so that it may better meet the needs of what is likely to be a large school for some time. While the cost would be considerable, I feel certain the result would more than justify the expenditure. I need only to call attention to the great improvement which was made at the Center School by remodeling.

The fact that the town financial year and the school district financial year do not correspond is somewhat disconcerting. As was done last year, the school board has made two separate financial reports. One covers the year ending June 30, 1923 and the other this current fiscal year from July 1, 1923 to February 1, 1924. I call your attention to these reports. The amount available February 1st, to carry the schools through the remainder of the year was \$3,149.-66. It is probable that \$2,700.00 will cover the necessary expenses and that there will be a surplus of approximately \$450.00.

The budget which the school board has submitted shows in detail the estimated needs for the next fiscal year. The school board is asking for about \$200.00 more than last year. This is due principally to the increased transportation expenses.

In closing I wish to express to the School Boards and Citizens, my appreciation of their forbearance and of the many courtesies that have been shown me, not only this last year but during the nearly nine years of my service.

Respectfully submitted,

CHANNING T. SANBORN,
Superintendent.

STATISTICAL REPORT FOR THE SCHOOL YEAR
ENDING JUNE 30, 1923.
